CONFLICT OF INTEREST

Any person on a selection panel must disclose to the Approved Provider or person organising the interview process if there is a conflict of interest at the time of reviewing the applications. A conflict of interest may arise if the applicant is a personal friend or past or present close work colleague.

Management must promote transparency and accountability, promote integrity and impartiality during the employment process and therefore consider if the conflict of interest poses a risk to the consistency of the application process.

PRE-EMPLOYMENT SCREENING - PROBITY CHECKS

Effective pre-employment screening ensures our Service is compliant to legislative and regulatory requirements and aims to ensure we engage staff who have the skills, experience, qualifications and general 'fit'.

All preferred candidates will undergo appropriate pre-employment checks including reference checks, Working With Children Checks (WWCC), , and National Police criminal history checks before an offer of employment is recommended. Once an employee provides their WWCC clearance, management will

verify the clearance to ensure that it is valid and current. Measures should be in place to ensure probity checks are completed by a person or persons who have no prior professional relationship with the applicant to mitigate the perception of bias in the recruitment process.

REFERENCE CHECKS

Verbal reference checks will be conducted over the phone for preferred applicants. Reference check questions will be determined prior to the check conducted and will establish the relationship the referee has with the applicant.

At least 2 references are to be provided for a reference check. Where possible references should be from the immediate previous employer. The reference checks will ascertain, where possible, the applicant's attitudes and behaviours in previous child-related or other appropriate roles and ascertain whether the applicant has ever been the subject of complaints.

WWCC/POLICE CHECKS

Working with Children Check legislation aims to prevent people who pose a risk from working with children as paid employees or volunteers. All employees, volunteers and students must undergo a Working with Children Check (or its equivalent) prior to working at the Centre. Employees, volunteers or students that are unable to provide a copy of a validated WWC Check (or equivalent) prior to the start of engagement or employment will not be able to undertake any work-related activity within the Centre.

VICTORIA The Working with Children Check is required prior to engagement of work-related activities for employees, volunteers and students. Employees, volunteers or students under the age of 18 may be able to apply for a Working With Children Check. [Working With Children Check Victoria](#)

PROBATIONARY PERIOD AND INDUCTION

Each new employee is subject to a Probationary Period of six (6) months. This ensures assessment for both the employee and Centre to ensure suitability of the role for the employee. During this time employees will receive advice, training and guidance to help them become familiar with and competent in, performing the work they have been appointed to do. The appointment is subject to the satisfactory completion of the probationary period which itself is subject to termination during any stage, by either party, upon notice in writing, or by payment in lieu of notice.

The Centre is committed to providing a comprehensive induction program to ensure the smooth integration of new employees. The Approved Provider or assigned nominee will support the new employee and help them to understand the organisational structure, how decisions are made and communicated, and what role they will have in the decision-making process. An induction checklist will be used to support this process, which explains an employee's responsibility to know the policies, procedures and practices within the Centre and their duty of care obligations to ensure the safety and wellbeing of all children and Centre participants. Induction will include relevant information on child safe practices adhering to the Child Safe Standards, Code of Conduct, strategies that identify, assess and minimise risks to children and mandatory reporting procedures.
